

Dear Client,

Effective **January 1, 2022** I will be increasing my rates. Please be aware the new rate will be **\$220** per 45-minute individual session and **\$240** per 45-minute couple's session. This rate increase reflects inflation and increased overhead costs and follows market rates for my credentials and experience level. This rate increase will allow me to sustain a consistent quality of care.

For 2022, there will be a change to the cancellation policy: If a session is canceled within a 48 hour window, there will be a \$100 cancellation fee. If the session is canceled within a 24 hour window or there is a no-show, there will be a full session fee charge. The exception is emergency circumstances.

Please feel free to contact me to discuss any concerns and/or questions you may have. I look forward to working together.

Sincerely,
